FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2015

TOGETHER WITH INDEPENDENT AUDITORS' REPORT

July 11, 2016

Board of Directors Safe Shelter of St. Vrain Valley Longmont, Colorado

We have audited the financial statements of Safe Shelter of St. Vrain Valley for the year ended December 31, 2015, and have issued our report thereon dated July 11, 2016. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, Government Auditing Standards and OMB Circular A-133), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 29, 2016. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Safe Shelter of St. Vrain Valley are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. The attached Adjusting Journal Entries include misstatements detected as a result of audit procedures. These journal entries are reflected in your audited financial statements, and management has agreed to post them to your general ledger.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter July 16, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Information in Documents Containing Audited Financial Statements

This information is intended solely for the use of the Board of Directors and management of Safe Shelter of St. Vrain Valley and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report

Board of Directors Safe Shelter of St. Vrain Valley Longmont, Colorado

We have audited the accompanying statements of Safe Shelter of St. Vrain Valley (a Colorado nonprofit corporation) which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Safe Shelter of St. Vrain Valley as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Safe Shelter of St. Vrain Valley's 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 16, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015

NOTE 1 - NATURE OF ACTIVITIES

Safe Shelter of St. Vrain Valley (Organization) was incorporated in 1981 as a non-profit corporation in the state of Colorado. Their mission is to promote and provide emergency and on-going, shelter lodging and other assistance as needed for all victims of domestic abuse in northeastern Boulder County. The Organization provides protection, intervention, and support to individuals whose lives have been affected by domestic abuse. Through community education, on-going counseling, emergency lodging, 24-hour crisis line, in person post-arrest advocacy, and other direct services, the Organization connects access to victim compensation and information referral to other agencies. The Organization is primarily funded by government and foundation grants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

1. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

2. Basis of Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

3. Cash and Cash Equivalents

The Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

4. Donations

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities, as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless the explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent donor stipulations regarding how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES (Continued)

5. Capitalization and Depreciation

The Organization follows a practice of capitalizing all expenditures for furniture and equipment in excess of \$500. The fair value of donated assets is similarly capitalized. Depreciation of furniture and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis.

6. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. Income Taxes

The Organization has received an Internal Revenue Service exemption from federal income taxes under Section 501(c)(3). Accordingly, no provision or liability for income taxes has been provided in the accompanying financial statements. The Organization's Federal Return of Organization Exempt From Income Tax (Form 990) is subject to examination by the IRS, generally for three years after filing.

8. Functional Reporting of Expenses

For the year ended December 31, 2015, the costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

9. Summarized Prior-Year Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2014, from which the summarized information was derived.

10. Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

11. Subsequent Events

Management has evaluated subsequent events through July 11, 2016, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

At year-end, investments consisted of certificates of deposits. Investments are stated at their fair value. Interest earned on certificates of deposits and cash balances was \$734 for the year.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

<u>Description</u>	Amount
Land Buildings and improvements Furniture and equipment	\$ 23,272 1,648,214 63,849
Total Less: accumulated depreciation	1,735,335 (487,202)
Net property and equipment	<u>\$ 1,248,133</u>

Depreciation expense for the year was \$53,765.

BOULDER WORTHY CAUSE

The Organization received a \$50,000 award in 2012 from the County of Boulder, Colorado to renovate their shelter property. The agreement is structured like a formal loan but would be repaid only if any of the following conditions are met.

- 1. The Organization failed to operate the building as a non-profit community facility.
- 2. The shelter or any interest in the property is sold.
- 3. Filing of bankruptcy or assignment to creditor of the property.
- 4. The Organization dissolves.
- 5. Failure to use property as integral part of program.

The funds are secured by the deed of trust to the property. Failure to comply with the agreement will result in the entire balance of \$50,000 becoming due and payable immediately.

NOTE 5 - IN-KIND CONTRIBUTIONS

During the year, in-kind contributions were received as follows:

Description	Amount
Food and supplies	\$ 9,487

No amounts have been reflected in the financial statements for donated services not requiring specific expertise. The Organization pays for most of these services requiring specific expertise. However, volunteers donated 1,964 hours of service with a value of \$40,890 in 2015, which were not included in the financial statements. The Organization also received approximately \$5,000 of toys, clothing, and household items that were passed through to their clients.

NOTE 6 - NET ASSETS RELEASED FROM RESTRICTIONS

During the year, expenditures were made satisfying donor restrictions as follows:

Description	Amount
Client assistance	\$ 19,197
Kiss program	10,000
Symposium	10,000
Total	<u>\$ 39,197</u>
